there are several points there
that, in my opinion, are a bit
contrary to the rules, for
example, I don't agree that
you can't buy (as
in a joke: we bought here,
but for some reason they

didn't let us in), well, or something that "you can't change or delete messages (although I don't argue here, it will be necessary to check this). But overall, I don't think it's that big of a deal. Perhaps, of course, there are some nuances there, but in general, I think that

these are not the points for
which it is necessary to delete.
