1. 12 high-quality pictures with vivid colors, inspired by special moments captured by the photo camera. 2. Each of the photographs has a widescreen resolution of 1920 x 1200 pixels, so they should perfectly fit all screen types, even the large ones. 3. The small tool does not put a strain on the computer, as it uses a low amount of CPU and system memory. System Requirement: Windows XP/Vista/7/8 Features: Captured Moments Theme 2.0 Description: Captured Moments Theme is a theme pack which includes twelve high-quality pictures with vivid colors, inspired by special moments captured by the photo camera. The pictures do not have a particular theme; you can view the cute face of a puppy, a slice of lemon splashed in water, along with the branch of a tree, among others. Each of the photographs has a widescreen resolution of 1920 x 1200 pixels, so they should perfectly fit all screen types, even the large ones. Captured Moments Theme does not integrate a sound scheme, sadly. But, with the courtesy of the default options supplied by Windows, you can make some adjustments through the desktop background area found in 'Control Panel'. For example, you can make the images fit or fill the screen, or to appear centered, tiled or stretched. If you don't like any of the pictures, you can stop them from being shown on the desktop by deselecting or removing them from the list. Meanwhile, the remaining photos may be scheduled to appear at a particular time interval, ranging from 10 seconds to 24 hours, in a consecutive or random order. The small tool does not put a strain on the computer, as it uses a low amount of CPU and system memory. We have not come across any issues in our testing, since Captured Moments Theme did not freeze, crash or pop up error dialogs. All in all, all people who love beautify should appreciate the Captured Moments Theme.
