---

The legendary Elder Scrolls fantasy action RPG has been re-developed for the next generation of players! • Consume new spells, weapons, armor, and magic that were added in The Elder Scrolls Online. In addition to the Oblivion spell system, new kinds of magic have been added. In TES: Oblivion, you can explore a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. At the heart of the game is the award-winning Elder Scrolls MMORPG, The Elder Scrolls Online, for PC and Mac. TES: Oblivion and The Elder Scrolls Online are developed by ZeniMax Online Studios in cooperation with Bethesda Game Studios. Please visit the official website ( to learn more about the game and the title development. Japanese version English version The game is a 3D fantasy RPG with an interactive storyline where you control the fate of the world. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. In the game, you can go on quests, defeat enemies, acquire items, buy and sell goods, assemble your own armor and magic, and develop your character to create the most powerful warrior. You can enhance your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. Explore a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. The game features an RPG world where you can freely combine the weapons, armor, and magic that you equip. You can also customize your appearance with different combinations of weapons and armor. Develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. In addition to the new fantasy action RPG, The Elder Scrolls Online for PC and Mac, enjoy an award-winning MMORPG with an established online community. The game features a multitude of multiplayer content such as open world dungeons, guild wars, and multi-player battles. Multiplayer is also supported via a unique asynchronous online element that allows you to feel the presence of other players, such as the sense of adventure that will help you experience the excitement of a shared game
