FIFA S09E05 The Umbro King - The Umbro King Have you ever tried to do something you could not do? - Albert EinsteinWrestling is a favorite sport of many who are not as physically strong as the body of a powerlifter and don't want to work their body out as much. Even more so is it a sport among men who prefer to behave like beasts. This is a tournament of the worst kind, where some of them are more like wild beasts than men. If you are a man of high moral and high physical strength, you most likely have also encountered these monsters. And once you have crossed the path of a wrestling monster, you will never forget it. These monsters are the U.S. champions, fighters against the norm!Of those monsters, there are maybe the strongest people in the world. They are 6th grade physics class, owned by the Pat Bauman in wrestling. Knowing how to control a great deal of power and muscle, they can take advantage of every situation. police officer was shot in Brooklyn early Sunday morning after responding to reports of a suspect matching a description of one wanted in connection with a triple shooting that occurred at an Italian restaurant in midtown Manhattan. He's in stable condition at a hospital and was not identified. Authorities said the suspect in the triple shooting, identified as 27-year-old John Williams, was armed with a knife. He "forced his way" into a nearby apartment, but was stopped when the apartment's residents confronted him and called police. The eatery, called TGI Fridays on the corner of 46th Street and 6th Avenue, was also the scene of a fatal police-involved shooting in September. Authorities said the officer was responding to a 911 call about a suspicious person when he approached Williams. "It's been a brutal evening for us with our 911 calls, and a particularly brutal evening for us with the officer-involved shooting here this evening. Our community and our citizens deserve peace," the New York Police Department's Chief of Department Terence Monahan said. "Our city is truly heartbroken by these events." A man was also shot in the leg and two other people were taken to a hospital for minor injuries after a shooting at a mall in East Chicago, Ind., early Sunday. East Chicago is about 30 miles northeast of Gary, Ind., the home of the Inland Steel
