Learn VST Plugins such as Electric Keys,Â .7-Eleven denies slow service at its stores to be ongoing issue PRETORIA: 7-Eleven has said it does not perceive the poor service or slow movement at its stores to be an ongoing issue, following claims made by its franchisees in the Eastern Cape about poor service. 7-Eleven managing director Olga Kyerematen told Corporate Communications Manager Edward Bonsadi on Saturday that they are aware of the service claims, which have been made by a group of franchisees that have since been referred to the Human Rights Commission of South Africa (HRC) for further investigation. "We have taken a number of steps to try and rectify the service issues being experienced by our franchisees. We have confirmed that several franchisees have been provided with a formal written complaint that outlines the specific issues they are experiencing
