
from the Motor City of Detroit. xviii, 283 pages. September 25, 2013. Hardcover, trade paperback, \$35.00. ISBN: 9780312090842 PDF BOOK Review by Lawrence Long This book reads like a letter between the author and a friend, someone he found interesting enough to want to know more about.

It is a personal story of a guy from the Motor City of Detroit. Readable, accessible and interesting.

The author is funny and entertaining. I believe it would be an enjoyable read not only for the aspiring new motorist but for anyone who ever had to make a decision about vehicle ownership. The book presents a tough choice: how to afford a quality vehicle that will serve you well for life? PDF
