Blog Stats Admissions Academics Fortunes Reading Recent Reviews 'The West has seldom had such a group of powerful writers at its disposal.' - The New York Times Book Review Books The plot of the novel centres on the dramatic and tragic events which took place in the 1830s at the North West Cape of Africa. The idea for the plot of the novel came from Mr Salcher's early travels to Cape Town in the South-Africa as an engineer. The narrative of the story deals with European imperialism and the interaction of the European man and the Native South African tribe. The story begins with the serendipitous meeting between two "Strangers" who are captured by the crew
