Lumion 9.5 Viewer Win  
((NEW))

[Download](#)

---

in the recent past, there have been some issues with the new version of lumion 9.5 viewer. here are the detailed steps that we have taken to solve the problem. the client should now be able to view lumion projects in lumion 9. if you have any other questions or need further assistance, please contact us via our contact form. i found a solution for the problem i got. first i thought it was the update, but that was not the problem. the problem was the plugin. i sent lumion an email to let them know that i found a solution, and i will let you know when it is fixed. thank you.

looking for a solution for that issue? i am having the same problem and i've been trying to fix it. i sent lumion an email about it and let them know about it, and i will let you know when it is fixed. thank you. i received this email from lumion. the free lumion livesync plugin lets you set up a simultaneous, real-time connection between your 3d model in revit and lumion 10.3. change the models shape in revit to test a modified design, and youll instantly see the model updated in lumion so you can view it with accurate lighting and shadow, surrounding contexts such as urban neighborhoods or rural settings, and beautiful, realistic materials. lumion 9.5 viewer win is only needed if you want to send a project to a client and give them the unique ability to see and fly through the model in lumions real-time 3d. import your model from revit, 3ds max, sketchup, autocad, rhino, or archicad, among many other modeling programs, and lumion instantly breathes life into your designs with realistic landscapes and urban context, stylish effects, and thousands of objects and materials from the content library. you might like to download laubwerk plants kit 7 free download
