## **MORDHAU Activation Code [License]**

Redeem your Steam Digital CD key code in the Steam client. Log in and look in the bottom left corner and click "Add Game..." and then "Activate Product". If you do not have the product you have purchased, download it by clicking "Buy" in the lower right corner of the "Add Game..." window. After downloading, you will be able to choose a payment method. Select Redeem Code. Now enter the received purchase code in the "Product Activation" field. You will then receive a digital purchase license key. If you bought a digital code online, select it in the window that opens and click "Confirm". After that, click "Finish", and then "Add game".
