
Lenovo G460 Bios Update 13

if your laptop is not listed here, please contact your local ibm lenovo service centre or a qualified dealer. if you have any questions, please contact us directly at > lenovo g460 bios update 13 we look forward to assisting you. ok, i have the same model of laptop and it seems to have the same issue. i am using a brand new usb keyboard and even if i reset the bios using the dedicated button on the front of the laptop it does not work. i am about to take it back to the shop as i am sure they will say that the laptop is faulty. has anyone else come across this problem? i have a lenovo g460, and while my laptop has a working wireless internet and microphone, it is not charging for the laptop. i was told that this will be covered under warranty, however i haven't heard anything from lenovo, so i'm not sure. i did try to go into the bios, but as soon as i try to enter it, the laptop will lock and show an error screen. hello, i am a 14 year old highschooler, and my mom bought me a g460 last year. my laptop was working fine until the final couple days of school when it shut down. i went into the bios, and i tried to change the voltage to be a little higher. it told me that my computer was charging, and all of the lights went green. i then did a shut down, and it wouldnt start up again. i tried to change the voltage back, but it didnt work. it only beeps once at startup and when i try to change the voltage. i cant get it to work again, and i dont know how to fix it or if i should contact lenovo or something. i would really appreciate it if you could help me. thanks!
