Click here to download. the animated body map series again after I completed the analysis of a. like Visible Body's Human Anatomy Atlas 2019.Tag Archives: elk road I am still planning to take a tour up to the Mackenzie country to see for myself that all the rumours about the top sheep and elk country in Canada are all true. I have recently received confirmation from B & B Charters (and others) that: The Sheep country, as described in the book and web site eelkroad.com is really the elk road country, as well as the country near the Mackenzie River. The sheep and elk country is actually in the centre of the North Slave Caribou Range, and goes between the 65th parallel and 70th parallel. And most people who have bought into this region have done so because they have a cabin in the Kananaskis country, or the mountains, or a place in Banff. The Elk road, as described in the book, is in the North Slave Caribou Range and is centered in the West (or in the direction of the mountains) of Alberta from about the 65th parallel north to the 79th. As you go farther south the number of large herds of elk decreases. This is also the area that is most expensive to buy into, and for a reason that you will see below. So far, we have done all of our searching, and the only wildlife we have seen is a porcupine at a campground a short distance from the Sheep road. I saw a tiny elk that was more gopher than elk, but my best photos were not very clear. Anyways, I should be starting the road trip early next week. If anyone would like to join us we would welcome it, and I will be happy to give more details as we go along. For now, I will let you know what I find. The story that I have heard most often is that the land was bought by a company called Elk Road Inc. They later sold off bits of it and became extinct. But I guess you never know if the later stories are true. One person that I have heard speak on this is the author of the book, and it matches the information he has received from a very knowledgeable person. He also said that w
