Introduction to African Politics . Introduction to African Politics (1980) Okwudiba, Nnoli, Introduction to African Politics (reprinted 2001) When Thomas More used the word politics, he had reference to the all-encompassing practice of government. More was familiar with the work of Aristotle, whom he cited in book XII of the Treatise on Politics, chapter ii: "In every government the following things are worthy of note. For every government is a sort of politics, and politics is an art which practises the best things.. The best political rule is based on justice; for justice in a State presupposes that the rulers have no right, nor they who obey. For if every citizen reputed for his talents and quality were to contend about some of the offices of government which arise by custom, the result would be both disorder and confusion. Thus, the best political rule is based on justice, which contributes.
